MR WILLIAM R FOSTER
MR BRYON HOLLOWAY
935 E 3000 N #160
LAYTON UT 84040

Dear Mr. Foster and Mr. Holloway:

On December 19, 1996, a field compliance inspection was conducted for your notice, UTU-072863, which is located in Section 28, T. 12 S., R. 18 W., SLM and Sections 3 and 4, T. 13 S., R. 18 W., SLM. This notice was accepted by our office on April 28, 1995, under the 43 CFR 3809 Regulations for surface management. Your application for a Stream Channel Alteration Permit was rejected by the Utah Division of Water Rights (UDWR) on June 26, 1995, and our files contain no indication that you filed a Request for Reconsideration in a timely manner. Your operation cannot be authorized under 43 CFR 3809 without your having obtain all other required Federal, State, and local permits. Based on this inspection, we have determined that there is no surface disturbance related to your operation. Therefore this notice case file is closed.

If you did file a Request for Reconsideration within the 20 day time frame, please send us a copy of the decision document from UDWR. If your Stream Channel Alteration Permit was issued we will reinstate your notice.

Thank you for submitting your notice and for your support in the proper management of the public lands.

Sincerely,

Rex Rowley
Area Manager
